CRECON Research & Consulting Inc.

An article regarding a panel discussion in “The International Federation of Pharmaceutical Wholesalers (IFPW) General Membership Meeting in Tokyo” where Hitoshi Kimura, President and CEO, acted as a moderator was published in the December issue of the Journal of Japan Pharmaceutical Wholesalers Association (2021 Vol.45 No.12).

“The International Federation of Pharmaceutical Wholesalers (IFPW) General Membership Meeting” was held at Palace Hotel Tokyo in Tokyo from October 6th to 7th, 2021. It was an onsite and online hybrid meeting this time as the prevention measures against coronavirus disease 2019 (COVID-19).

On the second day, a live panel discussion with the theme of “New Service Opportunities Regarding Medical Treatments in Aging Societies” was held and delivered in real time, involving three panelists shown below and a moderator, Hitoshi Kimura, President and CEO of CRECON R&C.

Panelists:

- Mr. Akira Miura, Cabinet Counsellor, Cabinet Secretariat
- Mr. Hiroyuki Asawaka, Chairman, Japan Association of Health Industry Distributors
- Mr. Yoshihiro Yasunaga, Director and General Manager of Sales Division, CYBERDYNE Inc.

An article of the panel discussion was published in the December issue of the Journal of Japan Pharmaceutical Wholesalers Association (2021 Vol.45 No.12).
