CRECON Research & Consulting Inc.

Report on Participation in the 2nd "Expert Panel on Comprehensive Measures
to Achieve a Rapid and Stable Supply of Pharmaceuticals"

Hitoshi Kimura, President and CEO of CRECON Research & Consulting Inc., made statements at the "Expert Panel on Comprehensive Measures to Achieve a Rapid and Stable Supply of Pharmaceuticals" held on the 29th of September, 2022 by Policy Planning Division for Pharmaceutical Industry Promotion and Medical Information Management, Health Policy Bureau, Ministry of Health, Labour and Welfare. In his statement, the drug pricing system and wholesaler functions of ethical drugs were compared between Japan and other countries, and issues in Japan were raised and recommendations to solve those issues were made.

The CRECON Group will strive to contribute to the promotion of the pharmaceutical industry and the rapid and stable supply of pharmaceuticals with the intention of realizing a sustainable medical society.
